Love, Hate and the Jewish State 3.0: What's Jewish about a Jewish State?

Thursday, June 24 at 7:00 pm The JCC in Manhattan 334 Amsterdam Ave at 76th Street Cost \$10

Do your social justice values impact the way that you relate to Israel as the Jewish state?

Social justice and Israel are often polarizing and separate conversations. Israel's Jewish character affects government policy, life-cycle events, state symbols, and everyday life for both Jews and non-Jews.

Join us for the third in a series of highly interactive, non-persuasive, open discussions with a diverse group of people in their 20s and 30s. The program will be followed by a reception.

Hosted by Joel Chasnoff, Comedian and Author of *The 188th Crybaby Brigade: A Skinny Jewish Kid from Chicago Fights Hezbollah*
