Okay, so we should have posted these yesterday. But instead we were taking the day off from work, as was entirely appropriate. (I'm sure the **Pullman strikers** would have approved.) Don't complain about the delay or we'll go on strike from blogging.

- Revisit our **March 2011 newsletter** on Jews and labor unions.
- **Work, Workers and the Jewish Owner**. Rabbi Jill Jacobs presents a halakhic responsum for the Conservative movement concerning labor relations. (2008)
- **Improving Factory Workplace Conditions: New Solutions for an Old Problem**. (Doug Cahn, **Sh'ma**, 2006.)
- **Sh'ma's** Feb. 20, 1998 issue: **Labor vs. Management**.
